
Fourth Annual Conference on Climate Change and Development in Africa

Distr.: General

Marrakech, Morocco
8 - 10 October 2014

AGENDA
Original: English

Fourth Conference on Climate Change and Development in Africa
Marrakech, Morocco | 8 – 10 October, 2014

Theme:

Africa can feed Africa now: translating climate knowledge into action

Agenda

Day 1, Wednesday, October 08, 2014 (Plenary: Mogadorium)

8h00- all day	Registration for CCDA4 (registration open all day)	
9h30- 10h30	<p>Opening ceremony</p> <ul style="list-style-type: none"> Welcoming Remarks <ul style="list-style-type: none"> ECA: Dr. Abdalla Hamdok, Deputy Executive Secretary, Economic Commission for Africa (ECA), Ethiopia AfDB: Ms. Yacine Fal, African Development Bank (AfDB) Resident Representative in Morocco AUC: Representative of Africa Union Commission (AUC), Ethiopia Opening of Conference <ul style="list-style-type: none"> H.E. Ms. Hakima El Haite, Minister delegate to the minister of energy, mining, water and environment, in charge of the environment, Kingdom of Morocco <p>Setting the scene:</p> <ul style="list-style-type: none"> Dr. Rajendra Pachauri, The Energy and Resources Institute (TERI), India and IPCC (Video Message) 	Programme director: Dr. Fatima Denton, Economic Commission for Africa (ECA), Ethiopia
10h30- 11h00	Coffee/Tea break	Photo Session
11h00- 12h30	<p>Animated Presentation</p> <p>High Level Dialogue: Africa can feed Africa now</p> <p>Panellists:</p> <ul style="list-style-type: none"> H.E. Barros Bacar Banjai, Secretary of State of Environment and Tourism, Guinea Bissau H.E. Mr. Abdoulaye Baldé, Minister of the Environment and Sustainable Development, Senegal H.E. Dr Raphael Edou, Minister of Environment, Climate Change and Reforestation, Benin H.E. Ms. Hakima El Haite, Minister delegate to the minister of energy, mining, water and environment, in charge of the environment, Kingdom of Morocco 	<p>Chair : Dr. Abdalla Hamdok, Deputy Executive Secretary, Economic Commission for Africa (ECA), Ethiopia</p> <p>Moderator: Ms. Uduak Amimo, Royal Media Services, Kenya</p>
12h30- 14h00	Lunch	
14h00- 16h00	<p>Plenary panel discussions:</p> <p>Climate data, information and knowledge for agricultural production, water resources management and food security</p> <p>Main speaker - TBD</p> <p>Panellists</p> <ul style="list-style-type: none"> Mr. Fetene Teshome, National Meteorology Agency (NMA), Ethiopia Ms. Fatima Driouech, National Office of Meteorology, Morocco Mr. Dao Basiaka, Burkina Faso's Confédération Paysanne <p>Agricultural opportunities for renewable energy development and use in Africa</p>	<p>Chair: Mr. Abdallah Mokssit, Direction De La Météorologie Nationale Maroc</p> <p>Moderator: Mr. Richard Graham, UK Met Office, Hadley Centre, United Kingdom</p> <p>Moderator: Dr. Wilberforce Kisamba Mugerwa, National</p>

	<p>Main speaker – Dr. Francis Johnson, Stockholm Environment Institute(SEI), Sweden</p> <p>Panellists</p> <ul style="list-style-type: none"> • Prof. Yacob Mulugetta, University College London, United Kingdom • Mr. Mithika Mwenda, Pan African Climate Justice Alliance, Kenya • Dr. Tewolde Berhan Gebre Egziabher, Prime Minister’s Office, Ethiopia • Mr. Mustapha Bakkoury, Agence Marocaine de l’Energie Solair (MASEN), Morocco <p>Enhancing Africa’s capacity to mobilize and access climate finance and investment for climate resilient agricultural transformation</p> <p>Panellists:</p> <ul style="list-style-type: none"> • Dr. Tom Owiyo, African Development Bank (AfDB), Cote d’Ivoire • Mr. Allan Chimutu, Malawi • Mr. Tosi Mpanu Mpanu, Ministry of Environment, Nature Conservation and Tourism, Congo 	<p>Planning Authority, Uganda</p> <p>Moderator: Dr. Saleemul Huq, International Centre for Climate Change and Development (ICCCAD), Bangladesh</p>
16h00-16h30	Coffee/Tea break	
16h30-17h30	<p>Plenary main speakers mukiri</p> <p>Innovation, technology transfer and deployment to enhance agricultural transformation in a changing climate</p> <p>Main speaker – Dr. Youba Sokona, South Centre, Switzerland</p> <p>Panellists:</p> <ul style="list-style-type: none"> • Dr. Cosmas Milton Obote Ochieng, African Centre for Technology Studies (ACTS), Kenya • Dr. Hezron Mogaka, ASARECA Secretariat, Uganda • Dr. Mclay Kanyangarara, Common Market for Eastern and Southern Africa (COMESA), Zambia • Ms. Amber Leonard, JHU SAIS Initiative on Accelerating Investment in Climate-Resilient Infrastructure, USA <p>Food systems and marine resources – are African SIDS ready to explore the blue economy?</p> <p>Panellists:</p> <ul style="list-style-type: none"> • Prof. Abdellatif Khattabi, Ecole Nationale Forestière d'Ingénieurs, Morocco • Dr. Iris Monnereau, CERMES, University of the West Indies • Ms. Erin Roberts, University of London, United Kingdom 	<p>Chair: Mr. Ken Johm, African Development Bank (AfDB), Cote d’Ivoire</p> <p>Moderator: Mr. David Lesolle, University of Botswana</p> <p>Moderator: Dr. Guy Jobbins, Overseas Development Institute, United Kingdom</p>
18h30-20h00	Cultural dinner Launch of ClimDev-Africa Special Fund (CDSF)	

Day 2, Thursday October 09, 2014 (Parallel Sessions)				
9h15-10h45	<p>Parallel Session I – Venue: Coliseum</p> <p>Sub-theme 1: Climate data, information and knowledge for agricultural production, water resources management and food security</p>	<p>Parallel Session II – Venue: Gharnata</p> <p>Sub-theme 2 : Agricultural opportunities for renewable energy development in Africa</p>	<p>Parallel Session III – Venue : Olympia</p> <p>Sub-theme 3: Enhancing Africa’s capacity to mobilize and access climate finance and investment for a climate-resilient agricultural transformation</p>	<p>Parallel Session IV – Venue: Morocco Hall</p> <p>Sub-theme 4: Innovation, technology transfer, and deployment to enhance agricultural transformation in a changing climate</p>
	<p>Topic 1.1: Improving capacity of climate knowledge management, forecasting and projection, and early warning and disaster management in the agricultural sector.</p> <p>Chair: Mr. Wilfran Moufouma Okia, Economic Commission for Africa (ECA), Ethiopia</p> <p>Paper 1: Observing and modelling West African climate system: contribution to sustainable economic growth in the region <i>Presenter: Mr. Amadou Gaye</i></p> <p>Paper 2: Exploring the role of climate information in supporting medium-term decision-making and adaptation in the agricultural sector across sub-Saharan Africa <i>Presenter: Mr. Richard Graham</i></p> <p>Paper 3: Drivers of multi-decadal climate variability and change in West and East Africa <i>Presenter: Mr. Joseph Mutemi</i></p> <p>Paper 4: Climate-Fact-Sheets and Climate-Signal-Maps: providing the bandwidth and robustness of climate change information in a concise form <i>Presenter: Mr. Haensler Andreas</i></p> <p>Discussion</p>	<p>Topic 2.1: Understanding the water-food-energy nexus in a changing climate</p> <p>Chair: Mr. Charles Akol, Economic Commission for Africa (ECA), Ethiopia</p> <p>Paper 1: Inclusive green growth in Africa: water stressed food and energy - risk or opportunity? <i>Presenter: Ms. Belynda Petrie</i></p> <p>Paper 2: Livelihood Vulnerability and Time Budgeting for Water and Fuel wood in Rural Nigeria. <i>Presenter: Dr. Raheem Usman</i></p> <p>Paper 3: Water budget for agricultural sector under current and future climate change in Egypt <i>Presenter: Dr. Fadl Hashem</i></p> <p>Discussion</p>	<p>Topic 3.1: Options for enhancing Africa’s capacity to access climate finance mechanisms for agricultural transformation</p> <p>Chair: Ms. Kusum Lata, United Nations Framework Convention on Climate Change (UNFCCC), Germany</p> <p>Paper 1: Options For Enhancing Africa's Capacity To Access Finance Mechanisms For Agricultural Transformation <i>Presenter: Mr. Levyson Banda</i></p> <p>Paper 2: Climate Financing for Smallholder Farmers in Kenya: Opportunities and Challenges <i>Presenter: Ms. Mercy Kiremu</i></p> <p>Paper 3: Do Worldwide Governance Indicators Affect African Climate Change Fund Allocation and Disbursement? <i>Presenter: Ms. Chika Ifejirika</i></p> <p>Discussion</p>	<p>Topic 4.1 Agricultural research and innovations with emphasis on low-carbon development</p> <p>Chair: Dr. Cosmas Milton Obote Ochieng, African Centre for Technology Studies (ACTS), Kenya</p> <p>Paper 1: Evidence of Impact from Successful Climate Smart Agriculture Approaches in Africa <i>Presenter: Dr. Mary Nyasimi</i></p> <p>Paper 2: Fighting climate change and feeding Africa using steep land: a green solution in an Africa grass species <i>Presenter: Dr. Effiom Oku</i></p> <p>Paper 3: Precision-nutrient sensitive based conservation agriculture toward sustainable intensification: Nitrogen and weed management in maize-wheat system <i>Presenter: Mr. Anthony Oyeogbe</i></p> <p>Paper4: Use of Gliricidia sepium as coppicing fallow technology in efforts to improve soil productivity and food security for degraded soils and a changing climate of Tanzania <i>Presenter: Deodatus Stanley Kiriba</i></p> <p>Discussion</p>

Day 2, Thursday October 09, 2014 (Parallel Sessions)				
10h45-11h15	Coffee/Tea break			
11h15-12h30	<p>Topic 1.2: Climate impacts and trends in agricultural production systems: options to enhance response through timely climate information at all levels</p> <p>Chair: Dr. Filipe Lucio, World Meteorological Organization (WMO), Switzerland</p> <p>Paper 1: Climate change adaptation strategies and information sharing in the Nile Basin <i>Presenter: Prof. Tefaye Tafesse</i></p> <p>Paper 2: Implications of the Representative Concentration Pathway (RCP) scenario on ongoing and future water resources development in the Lake Tana Sub-basin of Nile River <i>Presenter: Dr. Alemseged Tamiru Haile</i></p> <p>Paper 3: Role of knowledge mechanisms in Climate Smart Agriculture approach: field activities from Malawi and Zambia <i>Presenter: Ms. Federica Matteoli</i></p> <p>Paper 4: Insights from the Future Climate for Africa (FCFA) scoping phase <i>Presenter: Mr. Jean Pierre Roux</i></p> <p>Discussion</p>	<p>Topic 2.2: Leveraging renewable energy technology opportunities in the agricultural value chain</p> <p>Chair: Mr. Frank Rutabingwa, Economic Commission for Africa (ECA), Ethiopia</p> <p>Paper 1: Agro-Industries and Clean Energy in Africa <i>Presenter: Prof. Yacob Mulugetta</i></p> <p>Paper 2: Integration of renewable energy technologies within the agricultural sector in morocco <i>Presenter: Dr. El Mostafa Jamea</i></p> <p>Paper 3: Etudes technico-Economiques sur la plate-forme gazéifier : de l'Etude de la ressource a l'utilisation du gaz dans un moteur pour la production d'Électricité <i>Presenter: Mr. Ing Dejean Aristide</i></p> <p>Discussion</p>	<p>Topic 3.2 Enhancing private sector financing and investments in climate-resilient agriculture</p> <p>Chair: Mr. Kebour Ghenna, Pan African Chamber of Commerce (PACC), Ethiopia</p> <p>Paper 1: Risk Aversion and Agricultural Decision-Making under Uncertainty: Evidence from rural Cote d'Ivoire <i>Presenter: Dr. Euphrasie Ben Houassa Kouame</i></p> <p>Paper 2: Partnering for transformation: Mobilising the private sector for green growth and climate resilient agriculture <i>Presenter: Ms. Belynda Petrie</i></p> <p>Paper 3: Enhancing private sector finance and Investments in Africa climate resilient agriculture <i>Presenter: Mr Charles Mulenga</i></p>	<p>Topic 4.2: Strengthening policies and financing for development and transfer of green technologies in agriculture</p> <p>Chair: Mr. Ken Johm, African Development Bank (AfDB), Cote d'Ivoire</p> <p>Paper 1: Linkage between conservation agriculture and green revolution technology adoption: evidence from less favorable rainfed area of Burkina Faso <i>Presenter: Rivaldo Kpadonou</i></p> <p>Paper 2: On Greening Agricultural Business Models for Rural Africa: A Green Innovation Approach <i>Presenter: Dr. Calvin Atewamba</i></p> <p>Paper 3: Adoption of conservation farming <i>Presenter: Mr. Abson Chompolola</i></p> <p>Discussion</p>
12h30-14h00	Lunch			
14h00-15h30	<p>Topic 1.3: Harnessing ecosystems and natural capital to enable Africa to sustainably feed itself.</p> <p>Chair: Mr. Johnson Nkem, Economic Commission for Africa (ECA), Ethiopia</p>	<p>Topic 2.3: Biomass energy and bio-fuels: Challenges and opportunities for food security</p> <p>Chair: Mr. Ibrahim Togola, Mali Folk Centre</p>	<p>Topic 3.3: Finance mechanisms (e.g. REDD+, GCF, insurance schemes, private finance)</p> <p>Chair: Mr. David Lesolle, University of Botswana</p>	<p>Topic 4.3: Options for enhancing the use of ICT in disseminating climate information throughout the agricultural value chain</p> <p>Chair: Mr. Thierry Amoussougbo, Economic</p>

Day 2, Thursday October 09, 2014 (Parallel Sessions)				
	<p>Paper 1: Strengthening policies and financing for development and transfer of green technologies in Africa <i>Presenter:</i> Mr. Olunfunso Somorin, African Development Bank (AfDB), Cote d'Ivoire</p> <p>Paper 2: System of Rice Intensification (SRI) in Africa: A Win-Win Technology with Multiple Benefits for Farmers and Climate Change Adaptation in Africa <i>Presenter:</i> Prof. Bancy Mati</p> <p>Paper 3: Improving Village Capacity with Adaptive Use Technology in Rainwater Catchment Basins <i>Presenter:</i> Ms. Kathleen McDonald</p> <p>Discussion</p>	<p>Paper 1: Conflicts between large scale biofuels projects and food security: evidences from Ethiopia <i>Presenter:</i> Yordanos Estifanos</p> <p>Paper 2: Biomass energy inefficiency, unsustainable land management practices and food insecurity - what do rural communities in Swaziland have to say? <i>Presenter:</i> Ms. Lynn Kota</p> <p>Paper 3: Agricultural Opportunities for Renewable Energy Development in Africa <i>Presenter:</i> Mr Aston Nyongesa</p> <p>Discussion</p>	<p>Paper 1: Towards climate-resilient agriculture in Africa: The role of climate finance <i>Presenter:</i> Mr John Nyangena</p> <p>Paper 2: Financial mechanisms; principles and prospects for Africa <i>Presenter:</i> Ms. Chinma George</p> <p>Paper 3: Yield Effect of Weather Index Insurance: Evidence from Maize Production in Kenya <i>Presenter:</i> Mr. Bernard Ara'ap Lagat</p> <p>Discussion</p>	<p>Commission for Africa (ECA), Ethiopia</p> <p>Paper 1: Carbon Reduction, Resources and Opportunities Toolkit (CaRROT)- ICT in collecting and disseminating climate information <i>Presenter:</i> Ms. Jessica Mukiri</p> <p>Paper 2: ICT Use to Improve Climate Change Adaptation and Livelihood Resilience in Uganda <i>Presenter:</i> Mr. Berhane Gebru</p> <p>Paper 3: Assessment of ICT innovation for tackling climate change impacts in Africa-challenges and opportunities <i>Presenter:</i> Dr. Ademola Adenle</p> <p>Paper 4: 21st Century Climate Service for the Climate resilience of smallholder farmers in Zimbabwe and its potential replication in spearheading development <i>Presenter:</i> Ms. Elisha N Moyo</p> <p>Discussion</p>
15h30 16h00	Coffee/Tea			
16h00- 17h00	<p>Topic 1.4: Policy options and measures for bridging the rural-urban divide and reducing vulnerabilities to climate change</p> <p>Chair: Dr. Mclay Kanyangarara, Common Market for Eastern and Southern Africa (COMESA), Zambia</p> <p>Paper 1: Aligning delivery of climate information services for development - the Kenyan experience <i>Presenter:</i> Mr. Ayub Shaka Mwadali</p> <p>Paper 2: Monitoring and mitigating challenges of global environmental change (GEC) on food system activities,</p>	<p>Topic 2.4 Energy in the African Small Island developing States</p> <p>Chair: Prof. Yacob Mulugetta, University College London, United Kingdom</p> <p>Paper 1: Renewable Energy in African Small Island States - taking the Mauritius case and more <i>Presenter:</i> Dr. Vikram Seebaluck, University of Mauritius</p> <p>Paper 2: Blue economy in the African SIDS <i>Presenter:</i> Dr. Iris Monnereau</p> <p>Discussion</p>	<p>Topic 3.4: Agriculture in the UNFCCC negotiations: what are the opportunities for Africa?</p> <p>Chair: Dr. James Kinyangi, Climate Change, Agriculture and Food Security (CCAFS), Kenya</p> <p>Paper 1: Agriculture, land use, and food security in the 2020 agreement: what implications for Africa <i>Presenter:</i> Prof. Doreen Stabinsky</p>	<p>Topic 4.4: Inter-comparison of systems and value chain analysis for food security in Africa</p> <p>Chair: Dr. Riad Balaghi, Institut de Recherches Agronomiques de Rabat(INRA), Morocco</p> <p>Paper 1: Strategic Agricultural Commodity Value Chains in Africa for Increased Food: The Regional Approach <i>Presenter:</i> Mr. Mahamadou Nassirou Ba</p> <p>Paper 2: Effectiveness of Public Communication Policy Strategy in Bridging Rural-Urban Divide to Avert Climate Change Vulnerabilities in Africa</p>

Day 2, Thursday October 09, 2014 (Parallel Sessions)

	<p>food security and environmental quality in Sub-Saharan Africa <i>Presenter:</i> Prof. Samuel Agele</p> <p>Paper 3: CR4D – Climate science Frontiers <i>Presenter:</i> Mr. Mxolisi Shongwe</p> <p>Paper 4: Climate observation for agriculture production <i>Presenter:</i> Dr. Seydou Traore, AGRHYMET</p>		<p>Panelists:</p> <ul style="list-style-type: none"> • Mr. David Lesolle, University of Botswana • Ms. Azeb Girmai, Environmental Development Action in the Third World (ENDA), Ethiopia • Mr. Ibila Djibril, Point Focal National Changements Climatiques, Benin 	<p><i>Presenter:</i> Prof. Wilson Okaka</p> <p>Paper 3: The Agricultural Model Intercomparison and improvement Project experience in southern Africa <i>Presenter:</i> Dr Olivier Crespo</p> <p>Discussion</p>
<p>17h15-19h00</p>	<p>Side-Events</p> <ul style="list-style-type: none"> • Using climate knowledge to empower women farmers: Towards the transformation of Africa's agriculture – Venue: Gharnata • Youth and Climate Change– Venue: Salon Hamra • The Climate Change, Agriculture, Trade, and Energy Nexus - Venue: Oudaya • The role of African farmers in local adaptation initiatives - Venue: Ourika • Achieving an equitable phase out of carbon emissions by 2050: Understanding the Benefits and Burdens for Africa - Mary Robinson Foundation – Venue: Olympia • A focus on sharing lessons among the ClimDev-Africa pilot countries - Venue: Shella • Linkages between climate change and fragility in Africa - Adelphi Venue: Moroccan Hall • Private sectors - Green' agenda: Business Transitioning to Green – The Challenges and Opportunities, (Pan African Chamber of Commerce) - Venue: Coliseum 			

Day 3, Friday October 10, 2014 (Plenary: Mogadorium)

<p>9h00-10h45</p>	<p>Transformation towards a green economy and low carbon development as Africa feeds itself</p> <ul style="list-style-type: none"> • Main speaker – Mr. Vyas K. Yogesh, African Development Bank (AfDB), Cote d'Ivoire <p>Panelists:</p> <ul style="list-style-type: none"> • Ms. Marieme Bekaye, Economic Commission for Africa (ECA), Morocco • Ms. Kusum Lata, United Nations Framework Convention on Climate Change (UNFCCC), Germany • TBD <p>Parallel sessions reporting</p> <p>Sub-theme 1: Climate data, information and knowledge for agricultural production, water resources management and food security</p> <p><i>Summary:</i> Prof. Bancy M. Mati, Resource Plan, Kenya</p> <p>Panelists:</p> <ul style="list-style-type: none"> • Dr. Adama Alhassane Diallo, African Centre of Meteorological Application for Development (ACMAD), Niger • Mr. Dao Basiaka, Burkina Faso's Confédération Paysanne • TBD 	<p>Moderator: Dr. Guy Jobbins, Overseas Development Institute, United Kingdom</p> <p>Moderator: Dr. Robert Wilby, Loughborough University, United Kingdom</p>
-------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Day 3, Friday October 10, 2014 (Plenary: Mogadorium)		
	<p>Sub-theme 2 : Agricultural opportunities for renewable energy development in Africa <i>Summary:</i> Prof. Jean Nduwamungu, University of Rwanda</p> <p>Panellists:</p> <ul style="list-style-type: none"> Mr. Yohannes Hailu, Economic Commission for Africa (Central Africa Office), Rwanda Dr. Tara Shine, Mary Robinson Foundation, Ireland Dr. Rose Mensah Kutin, Abantu for Development, Ghana 	<p>Moderator: Ms. Olushola Olayide, Africa Union Commission (AUC), Ethiopia</p>
10h45-11h15	Coffee/Tea break	
11h15-12h30	<p>Parallel sessions reporting</p> <p>Sub-theme 3: Enhancing Africa’s capacity to mobilize and access climate finance and investment for a climate-resilient agricultural transformation <i>Summary:</i> Ms. Selam Kidane, Ethiopian Environmental Protection Authority</p> <p>Panellists:</p> <ul style="list-style-type: none"> Dr. Saleemuh Huq, , International Centre for Climate Change and Development (ICCCAD), Bangladesh Dr. Tom Owiyo, African Development Bank (AfDB), Cote d’Ivoire Prof. Doreen Stabinsky, College of the Atlantic, USA Mr. Moubarak Moukaila, West Africa Development Bank, Togo <p>Sub-theme 4: Innovation, technology transfer, and deployment to enhance agricultural transformation in a changing climate <i>Summary:</i> TBD</p> <p>Panellists:</p> <ul style="list-style-type: none"> Prof. Umar Bindir, National Office of Technology, Nigeria Mr. Mamadou Mousa Diakhite, New Partnership for Africa’s Development (NEPAD), South Africa Mr. Secou Sarr, Environmental Development Action in the Third World (ENDA), Senegal 	<p>Moderator: Dr. James Kinyangi, Climate Change, Agriculture and Food Security (CCAFS), Kenya</p> <p>Moderator: Ms. Edith Adera, International Development Research Centre (IDRC), Kenya</p>
12h30-14h00	Lunch	
14h00-15h15	<p>Closing Panel: Winning the battle against climate change: Africa on the road to feeding itself</p> <ul style="list-style-type: none"> Dr. Tewolde Berhan Gebre Egziabher, Prime Minister’s Office, Ethiopia Dr. Saleemul Huq, International Centre for Climate Change and Development (ICCCAD), Bangladesh Mr. Dao Basiaka, Burkina Faso’s Confédération Paysanne Mr. Ken Johm, African Development Bank (AfDB), Cote d’Ivoire Mr. Ksiri abderrahim, Association des Enseignants des Sciences de la Vie et de la Terre (AESVT), Maroc Dr. Maggie Opondo, University of Nairobi, Kenya 	<p>Moderator: Ms. Udwak Amimo, Royal Media Services, Kenya</p>

Day 3, Friday October 10, 2014 (Plenary: Mogadorium)	
15h15-15h45	Coffee/Tea
15h45-16h15	Reports from youth, gender and farmers side events Report from civil society pre-event
16h15-17h00	Closing Session Conference summary – Dr. Fatima Denton, Economic Commission for Africa (ECA), Ethiopia Closing remarks: Dr. Abdalla Hamdok, Deputy Executive Secretary of the Economic Commission for Africa (ECA), Ethiopia

Pre-Events	
October 5-7, 2014	Climate Research for Development (CR4D) – Venue: Coliseum
October 7, 2014	Pre-conference policy engagement and communication workshop - Venue: Lixus
October 7, 2014	Pre-CCDA-IV Farmers And Civil Society Consultative Workshop – Venue: Olympia

Post-Events	
October 12, 2014	Monitoring & Evaluation and Climate Information Services (CIS) -
